SIXTY MEMBERS OF COUNTY T. B. SOCIETY MEET IN CLEARFIELD

Quarterly Gathering of Public Health Crusaders Discuss Plans For the Future.

DOING GOOD WORK

The regular quarterly meeting of the Clearfield County Tuberculosis Society was held Thursday afternoon at the Dimeling Hotel and was attended by about sixty of the workers from city and county. After the usual lunch con which was thoroughly enjoyed by all and which was again so generously provided by Director A. K. Wright, the business session was opened by President Trostle who gave a brief talk on the progress of the work in the State and county. He then introduced Miss Cora Robinson, one of the old workers from the State Society Headquarters at Philadelphia. Miss Robinson covered the work of our Society quite intensively and incidentally paid several deserved compliments to our workers and what they were accomplishing. She also made some constructive criticisms which will without doubt prove beneficial to the local members. Mrs. P. B. Reed reported on the work done during the last quarter among the rural schools and on the progress of the Health Crusade among the pupils. With Mrs Richard Gilbert, and various other members hundreds of pupils in these had been measured and weighed and treatment advised where indicated. Dester Blair, the new member of the executive committee from Curwensville made his maiden speech and promised his hearty support to the work in our neighboring boro. Dr Frantz analyzed the annual report of the State Society and outlined the program for the coming year which includes intensive educational work. He referred to the society's little monthly publication, "Health Hints," which has been favorably commented upon all over the state and already has a number of other counties following suit. He urged hearty cooperation on the part of every member over the county that each one acquaint him or herself with the problems of their particular section and set about solving them.

The meeting was brim full of valuable suggestions on how to do more and better preventive work and supported the nation-wide movement to have everyone get in the habit of having an annual health examination.

THE IRISH BOUNDARY QUESTION MAY MAKE SERIOUS TROUBLE

By DAVID M. CHURCH
I. N. S. Staff Correspondent

London, April 25.—A delicate situation containing the possibility of hostilities has arisen as a result of the breakdown of the free state—Ulster boundary conference.

It is probable the cabinet will consider the matter within the next few days. Further mediation may be attempted to avert developments fraught with danger of an Irish internal war.

Reports were current the cabinet might ask Parliament for special legislation to deal with the situation.

England may appoint a member to the boundary commission. The Free State has appointed a representative but the Ulster Government has steadfastly refused to recoginze the Commission or have anything to do with it.

There is no provision in the Anglo Irish treaty for meeting such a contingency.

It is said that the Free State will force the issue by making immediate demand for the setting up and functioning of the boundary commisison.

Ulster fears that if the commission is put to work on the dispute it will make wholesale transfers of territory from Ulster Province to the Free State.

Belfast, April, 25 (INS.)—The Ulster Government prepared today to mass troops along the Free State frontier to meet any eventuality.

Warning was sent to the British government "that the consequences will be upon its head if any attempt is made to alter the Ulster border."

LAUREL RUN YOUTH HAS HAND CRUSHED

Virgil Reiter, aged about 21 years, and a son of H. E. Reiter, who lives on a farm near the mouth of Laurel Run, had one of his hands so badly smashed this morning that it had to be amputated at the DuBois hospital, where the young man was hurried by a physician from Tyler shortly following the unfortunate occurrence.

Young Reiter was assisting in the pulling of stumps on his father's farm, using a high-power stump machine. While operating the machine the young man got his hand caught and it was crushed to a pulp.

BONUS BOND ISSUE WOULD NOT DIMINISH BORROWING POWER

Harrisburg, Pa., April 25. (INS.)—Attorney General George W. Woodruff, in a brief filed in the Dauphin county Courts today, holds that submission at the November election of the Amendment authorizing a $35,000,000 bond issue for a soldiers bonus will not diminish the authorized borrowing capacity of $100,000,000 for highways.

The brief says that the legislature has taken no action to amend the road amendment of 1923.

Woodruff says in part:

"Both amendments contemporaneously through the legislature, were consistent and harmonious when certified to the Secretary of the commonwealth, and should not be permitted to be interpreted as repugnant merely because they were not submitted to the electors at the same election."

The brief was filed as the result of the suit brought by A. Miller who seeks to prevent the bonus amendment being advertised and submitted.

PAYROLL BANDITS GRAB $2600

Detroit, Mich, April 25. (INS.)—Three dapper bandits took $2,600 in payroll funds from two employes of the Interstate Plastering Comapny today.

Dover, Eng., April 25. (INS.)—English and Dutch airplanes return to their bases this afternoon after failing to locate a Fokker machine carrying a pilot and two passengers which disappeared yesterday. The aeroplane departed from Lympne and it is feared that it fell into the English Channel. All on board are believed to have been lost.

EDGAR L. WESTCOTT RESIGNS AS SUPT. ROADS IN COUNTY

Edgar L. Westcott, for the past five years the highly efficient county superinetndent of roads for Clearfield county, has tendered his resignation to the State Highway Department, the same to go into effect on May 8th.

News of Mr. Westcott's determination to leave the service of the Highway Department caused general regret throughout the county. He is recognized, and rightly so, as the most efficient superintendent of roads Clearfield county has had since that office was created by the State Highway Department.

He possessed good judgment, had a real conception of the duties of his position and an executive ability that won recognition from his superiors and all others familiar with state road conditions and problems in Clearfield county. Westcott was a hangover from the pre-Pinchot days and his life, since the "higher order" took charge in the state, has not been a bed of roses, but it sure is too bad to lose him from the highway service.

Mr. Westcott has accepted a position with the sales force of the Galion Iron Works, manufacturers of road making machinery and resigns to take up that work.

ALLIED NATIONS TO TAKE DAWES PLAN AS BEGINNING OF END

Paris, April 25 (INS.)—England, Belgium and France today notified the Inter-allied Reparations Commission they accepted the Dawes plan as a basis for discussion and settlement of the reparations problem. Italy's acceptance is expected tomorrow.

The Commisison will meet Tuesday to consider the situation.

The communications from the various allied countries today were replies to the Commisison's recommendations that the Dawes report be accepted.

President Coolidge in his speech at New York supported the Dawes plan although the United States has not officially accepted it as a nation.

AUTO BANDITS ROB GRANITE CITY BANK

Granite City, Ills, April 25 (INS.)—Five bandits swooped down on the Granite City National Bank today as T. D. Grandinaros, bank messenger, was entering with the payroll of the Granite City Rolling Mills, snatched the messengers bag containing $63,000 and escaped in an auto under a hail of bullets from bank officials.

The first shot from the gun of the bank's cashier tumbled one of the bandits from the machine. His companions dragged him back in, as they riddled the front of the bank with bullets.

PROGRESSIVES IN SENATE LINE UP FOR THEIR OWN TAX BILL

Want a Sur-Tax of Fifty Per Cent On Incomes That Amount to Over Half Million.

IT IS PRESENT RATE

BY KENNETH CLARK
I. N. S. Staff Correspondent

Washington, April 25.—Unfurling the battle flag of Insurgency, Senate Progressives today turned their heavy siege guns on both the Republican and Democratic reduction bills.

Rallying under the leadership of Senator Brookhart, Republican of Iowa, who is acting commander in the absence of Senator La Follette, Republican of Wisconsin, the Progressives launched a counter offensive with a plan which proposed surtax rates even higher than the Democratic maximum of forty percent on incomes of more than $500,000.

The Insurgent group, numbering between 12, and 14 Senators pledged itself to a surtax maximum of 50 per cent on incomes of $200,000 and over, the same as in the present law, Brookhart announced. The Democratic normal rates of 2 per cent on incomes up to $4,000; four per cent between $4,000 and $8,000; and six percent over $8,000, have been accepted, however, by the Progressives, he added.

Investigate Deaths Of Four Lebanon Children

Lebanon, Pa., April 25 (INS.)—Dr S. B. Witmer, health officer, under the direction of District Attorney Ehrgood, was conducting an investigation into a faith healing cult here today as a result of allegations that four children, members of the cult, died of diphtheria without their parents making an effort to obtain medical aid.

The health officer has ordered Faith Tabernacle, the cult's church, quarantined.

The four victims died within a week.

NEW MILLPORT LUTHERAN PASTORATE

On Easter Sunday many were at the communion services. In the morning six united with the New Millport church by adult baptism. In the afternoon at the Olanta Church, four were baptized, six united by confirmation and three by letter. In the evening at the Curwensville Church four children were baptized, 10 united with the church by adult baptism, four by confirmation and three by letter.

LATEST WONDER IN NEWS GATHERING FIELD IS SHOWN TO NEWSPAPER MEN IN NEW YORK

New York, April 25 (INS.)—Publishers and Editors from all over the country attending the annual convention of the American Newspapers Publishers Association here are today discussing with amazement the most modern method of news transmission without wires—the radio typewriter.

This unique machine is known as the International News Service high speed automatic radio printing system, and is being demonstrated by its inventors and M. Koenigsberg, President of the International News Service.

The first public demonstration of the device was made in a room at the Waldorf Astoria hotel wehere, operated in daylight from a sixty foot reception areial outside a window, it took words from the air at the rate of 65 a minute with an accuracy which W G. H. Finch, one of the inventors, set at 99 1-2 per cent.

The "story" from the air was sent by an operator in the experimental laboratory of the News Service a mile and a half away and it was delivered automatically and perfectly written on a typewriter.

It can be speeded up to transmit 100 words a minute. Electro-radio engineers experimented three and one half years before the device was made ready for commercial use.

Veteran newspaper men who witnessed the demonstration declared themselves astounded and pointed out that the invention makes possible the transmission to any paper, no matter how remote, of daily news report without the expense of telegraph wire.

Mr. Koenigsberg, replying to their congratulatory remarks said:

"We are proud to have been privileged to work out this fascinating problem of transmitting the printed work through the air onto a sheet of typewriter paper. To have suggested such a thing a short decade ago would have been to invite the services of an aleinist."

The system has been in daily operation between Tarrytown, N. Y., and Columbus Circle for a year as an endurance test, and between San Francisco and Los Angeles, 350 miles by air line.

The inventors and developers of the equipment are Finch, Wm. A. Bruno and A. M. Stevens. George Useman, assisted them in their final experiments.

Managing Editor G. A. Stewart of The Progress, was present at the demonstration of this latest scientific wonder, as a guest of President Koenigsberg, and promises to capture one of the new machines and bring it home along for the use of this paper and its readers.

Ex-Judge Bell Retains Residence In This City

The Progress printed an article yesterday carrying a DuBois date line and taken from the DuBois Courier the opening paragraph of which was as follows:—

"An announcement of considerable local interest was made last evening when it was stated that the large legal practice of the late James A. Gleason was taken over yesterday by Judge Singleton Bell, of Clearfield, and Leo R. Brockbank, of DuBois, under the firm name of Bell & Brockbank. This new firm will practice law in the same suite of rooms in the Deposit National bank building as was occupied by Mr. Gleason."

In addition to the above information the Courier stated that Judge Bell had decided to move to DuBois and would very shortly make the "city by the Sandy" his home. The Progress is very much pleased to be able to state that this last statement is not correct. And while the law firm with which Judge Bell affiliated himself upon his retirement from the bench Jan. 1, 1924, did take over with Mr. Brockbank, the large practise at DuBois of the late James A. Gleason, it is not the intention of Judge Bell to leave Clearfield. Instead he will not only continue as senior member of the firm of Bell, Boulton & Forsyth, but will also continue to make his home here. Under the arrangement made with the acquiring of the Gleason practise Judge Bell will spend a couple of days each week at the DuBois office for consultation with his clients and the remainder of his time, when not in court, will be spent in the Clearfield or main office of this firm, rapidly forging to the front rank of the legal fraternity in Central Pennsylvania.

Judge Bell's Clearfield and Clearfield county friends will be glad to learn that yesterday's story was not correct. Judge Bell has for too long been one of our foremost citizens to think of him deserting old home scenes at this time in his busy life. He is too closely connected with all the worth while activities of this community, where he has resided so long to even think of leaving and Clearfield people all rejoice that this is so and that our distinguished citizen, jurist and legal authority will remain right here in Clearfield.

Rail Brotherhoods Not For Third Party

Cedar Rapids, Ia, April 25 (INS.)—A statement denying that the "Big Four Brotherhoods would favor the candidacy." of Robert M. La Follette for President on a third party ticket as reported to have been stated by Warren S. Stone of Cleveland, President of the Brotherhood of railway Engineers was issued by L. E Sheppard President of the order of Railway Conductors on his return here today from meetings in the east.

"If Stone is correctly quoted, he spoke for himself alone and not for the Brotherhoods," Sheppard said. "Politics was not discussed at the Eastern meetings and no action by the Board of Directors as required for the endorsement of a candidate was taken.

We will not indicate whom we shall support until the nominations are made and the platforms announced."

CHAS. T. MURPHY, HEAD OF TAMMANY HALL, PASSES AWAY

New York, April 25 (INS.)—Charles, F. Murphy, leader of Tammany Hall and for nearly a quarter of a century one of the most powerful Democratic leaders of the country died today.

His death, on the eve of the Democratic convention due to assemble here in June, created a profound sensation in political circles. It has been universally expected and conceded—that Murphy would play an important part in framing the Democratic National ticket for 1924.

BIG SNOWFALL IN ROCKIES

Denver, Colo, April 25. (INS)—The entire Rocky mountain region was covered with a blanket of snow today, one of the heaviest and wettest precipitations ever experienced at this time of year. In Denver more than six inches had fallen and was continuing this morning. The snow storm was accompanied by a severe drop in temperature.

U. S. BLUE JACKETS REPORTED KILLED

Washintgon, April 25. (INS.)—State Department officials today were trying to get confirmation of reports from Central America that a number of American blue jackets have been killed in Honduras in connection with the revolutionary disturbances. Nine officers and about 150 sailors from the Cruiser Milwaukee have been at Tegucigalpa, the Honduran capital, for several weeks for the purpose of protecting American lives and property, but no casualties among the detachment have been reported, although there hase been considerable fighting in and about Tegucigalpa.

The last word that the State Department had from Honduras was Sumner Welles, President Coolidge's special peace representative, had succeeded in getting the warring factions into a conference abroad the Milwaukee at Amapala.

There are no American Marines in Honduras at this time according to the Navy Department, although Marines were landed at Ceiba, Honduras when the revolution first began to threaten American interests. They were latter withdrawn and the sailors substituted.

REPUBLICAN WOMEN HAD FINE MEETING

The Republican Council of Women Voters of Clearfield county met in the court house on last Monday evening at a large and enthusiastic meeting. Mrs. W. S. Piper presided. The president explained that the object of the meeting was to have an explanation of the ticket. This task was assigned to Mrs. A. H. Woodward, who in her usual convincing manner not only explained the ticket and each individual candidate and told for what they stood but she also explained the attitude of each and its effect upon the nation. It was a great talk and showed deep insight into and study of the character of each candidate. The women went to the polls much better prepared to exercise the right of suffrage for having heard Mrs. Woodward's talk.

In a short address Mrs. Harry Boulton made a plea for votes for Mrs. Ella J. Mountz. In part Mrs. Boulton said:

"You have all heard of the wonderful business ability of Mrs. Mountz, but it is not of that great ability I wish to speak. I would like to show her to you in an altogether different light. It is in this capacity that I know her best—a very sympathetic, womanly woman, a mother and a housewife, doing the plain homely tasks about her home that fall to the lot of all housewives. I wish you could know of the interest and responsibility she feels in the families of the men she employs in her great mining industry. Living as she does in a place where the population is almost entirely foreign, she is like the head of a large household.

"My interest in Mrs. Mountz and my insight into her character began before I even knew her. While a patient in a hospital in Philipsburg, a small boy was placed in the room next to me. He was the child of a foreigner who could not speak English. The child had typhoid fever and Mrs. Mountz, realizing that if he would be saved he must have intelligent care, wrapped him in blankets and brought him to the hospital and provided him with the best of care.

"In another case, she took three small orphan children to Erie and placed them in the orphanage there.

"At another time I knew of her educating a girl who wished to be a missionary.

"These are only a few of the many acts of kindness that Mrs. Mountz does but from these you can judge the character of the woman. With her great mind she has a great heart filled with sympathy for those who are about her. I am asking your votes, not because she is a woman but because of the kind of a woman she is and because she is the equal of any man on the ticket."

Following this interesting communications were read from headquarters, from Mrs. Warburton, and from Mrs. Leah Cobb Marion.

The club has had a substantial gain in membership since the last meeting and is in a flourishing condition.

Since this meeting Mrs. Mountz has been elected as our first woman delegate from Clearfield county to a Republican national convention and will go to Cleveland as an enthusiastic Republicn club woman who will do her whole duty.

MADERA HOTEL MAN CAUGHT IN DRY RAID BY STATE POLICEMEN

Dry Squad In a Flying Trip Lands Suspects at Madera, Houtzdale and Grampian.

FIND SOME BOOZE

State Police Barker, Pierce, Tipton and Bush, and Constable Neeley, were active yesterday in the lower end of Clearfield county, and arrested three men in that section. Two men were also arrested in Grampian, these for running gambling devices in their places of business. Henry Bowers of Madera, who runs the Madera Hotel, was arrested when a search of his hotel revealed whiskey, wine, beer and cider in liberal quantities. Information was made before Alderman Bogden and before Justice of the Peace W. H. Smith, of Houtzdale, he waived hearing and was held under $1,000 bail for the May term of court. Andy Yovorsky, of the Madera Inn, was arrested when whiskey, wine, horkey viney, bitters and beer was found on his premises. Samples of the beer were taken and his other wet goods was confiscated. He too waived a hearing before Justice of the Peace W. H. Smith, of Houtzdale, and was held under $1,000 bail for court.

Alies Abram, of Houtzdale was the next to meet up with the officers of the law. Whiskey was found in his home, and it proved sufficient to bring him before Justice of the Peace Smith and he was held under $1,000 bail after he had waived a hearing.

Coming back to Grampian the officers arrested Harry Shaffer, who was running a gambling device. He waived a hearing before Justice of the Peace Wall, of Grampian and was held for court. A nickle machine was found on the premises of George Woods. He was not at home at the time, but will be called before Justice of the Peace Wall this morning.

BOY SCOUT ACTIVITIES

The meeting held at the U. B. Church at Woodland on the evening of April 21 was well attended. Troop 2 of Blue Ball being present made it lively for all. Executive Scout Master Greenfield from Philipsburg gave an interesting lecture on scouting. Later in the evening a troop of Scouts was organized, 23 in number. It will be known as Troop 1, of Woodland.

At the conclusion of the address made by Mr. Greenfield, Rev. M. S Bittner, McClellan Knepp and B. O. Duffy were elected troop committeemen, and Charles Palmer was made scoutmaster, and Leland Stine assistant scoutmaster.

All boys over 12 years of age who wish to join may do so by applying to Scoutmaster Palmer on or before Tuesday evening, April 29.

And now that we have the Scouts in Woodland let us as Scouts prepare ourselves to be worthy upholders of our flag and rights.

The next meeting will be in the U. B. Church, April 29, at 7:30 p. m. Come!

LOCAL MARINE MAKES GOOD

Washington, April 25.—By making the required number of hits on the bullseye at ranges of from 200 to 600 yards, while at target practice at Parris Island, S. C., Paul Wilson Heist, formerly of Ansonville, Clearfield county, Pa., has qualified as marksman in the Marine Corps, according to the April target bulletin just published at Marine Corps headquarters here.

It is customary for each Marine to shoot on the rifle range at least once a year, special instruction in the best methods to acquire skill with the rifle being given to each man individually. Marines who qualify are awarded badges or medals, indicating the degree of skill they have attained. Firing is conducted on Marine Corps rifle ranges whenever climatic conditions permit.

Paul was born at Ansonville, and is a son of Mrs. Marjorie Heist. He joined the Marine Corps at Philadelphia last January. In recent weeks he has been stationed at Parris Island, where he won his qualification while shooting on the local rifle range.

CLAIM FIRST LIBRARY ESTABLISHED IN WEST

Amesville, Ohio, April 25. (INS.)—Although local residents admit that the Ohio University at Athens, near here, was the first college west of the Allegheny mountains, they claim the first public library was established here. New England pioneers, settling here in the early days, established the "Coonskin Library," which is historically famous. Boy Scouts are erecting a log cabin in the centre of the village to commemorate the library.

JUDGE WANTS TO MAKE WARS ILLEGAL

Ducyrus, Ohio, April 25. (INS.)—"War must not come in a generation if the human race is going to survive," asserted Judge Florence E. Allen, of the Ohio Supreme Court, in an address here.

"We should demand abolition of war," continued Judge Allen, who is the first woman in the United States, if not the world, to reach the exalted judicial position she occupies.

"The reason I do not emphasize peace is that peace is the condition of not having war. I do not believe that war could be automatically abolished merely by international law, but we can never check war until it is illegal."

New Hats

Hats of style distinction, every one of them, and a wide variety of different styles. Among them are beautifully tailored models, others dressy enough for semi-formal wear, and cool straws in fanciful weave, embroidered, flower-wreathed or ribbon-swatched, for wear with summery frocks. To the novel combinations of silk and straw, piquant shapes and vivid colors add interest. With the whole summer to be provided for, it will be economy to choose two or three Hats while this unusual opportunity offers.

WHO WILL BE VICE-PRESIDENT?

Now that the Republican voters of the United States have voiced in the most positive terms their desire to have Calvin Coolidge as their candidate for the presidency, speculation has turned to the selection of the man who will run on the ticket with him. Coolidge now has enough delegates to insure his nomination. It is doubtful if there will be 100 votes cast for any other candidates in the convention at Cleveland June 10th.

Among those mentioned to run on the ticket with Coolidge are: Senator Capper, of Kansas, one of the leaders of the farm bloc and owner of numerous agricultural papers. Senator Borah, of Idaho, one of the outstanding figures in the Senate, is also being seriously considered.

Iowa may have two favorite sons in the race for second place; one being Judge Kenyon, who lately paid a most glowing tribute to the President; the other is congressman Dickinson, who by hard work and ability has rapidly come to the front in political ranks. Iowa will not be alone in presenting for consideration two favorite sons; Illinois will have two extremely capable men, both of whom are national figures, namely, Frank Lowden, who enjoys the confidence of the agriculturists of the country and General Charles Dawes, who is in Europe trying to arrange a settlement of the financial troubles of Europe. From south of Washington comes the name of Senator Ernst, of Kentucky, who would be acceptable to many Republicans throughout the nation. Friends of Governor Hyde, of Missouri, are confident that his selection as a running mate for Calvin Coolidge would meet with general approbation. California may present the name of Senator Shortridge.

At the present writing it is anybody's race.

Progress Editorials for Women

WOMEN TO THE RESCUE

By FLORENCE DAVIES

Women have had the vote for over four years and nothing much has happened.

Therefore, a great hue and cry that women's suffrage is a failure.

Oh, for five minutes of Mark Twain!

It was Mark Twain who pointed out that everybody kept talking about the weather, but that no one ever did anything about it. But no one on that account ever called the weather a failure.

We have had suffrage for a great deal more than four years. But things have just jogged along. There are just as many scandals, and about as many finely constructive measures as ever. Human nature keeps right on being human nature, man or woman, vote or no vote.

Just what did the disgruntled ones think would happen because women got the vote?

The trouble is that too many people had the wrong idea of what was expected of woman's suffrage. The men didn't confer anything on the women when they admitted that a woman is a person. They only recognized the self-evident fact. The women never claimed to be and should never have been expected to be a wonder-working, superhuman, semi-divine race who could or would change the face of nature or politics.

Women's suffrage isn't a success or a failure. It is just a piece of justice. It merely gives women an opportunity to be full citizens because they are people, just as men are people.

Two outstanding attacks have been made recently on the record of women in politics.

One of them is by George Madden Martin who writes that women don't know anything about politics.

The chances are that he is perfectly right. But that doesn't mean that those of them who want to know ought not to have the right to find out if they want to, and to vote after they have found out. Furthermore, perhaps it was hardly to be expected that they should know in four years or in forty. They may know in four hundred years, because it takes time for a habit of mind to change.

The second attack is by Charles Edward Russell, who complains in a recent issue of the Century magazine that women have failed because nothing has happened since women got the vote, and because so few women are runninng for office.

As for the first, we simply refer again to the classic remark about the weather. Nothing is done about it, but it exists. It can't exactly be called a failure. It's there, just the same.

The second charge is certainly an argument par excellence to prove that women's suffrage has not failed.

If the vote had served to deflect women by the thousands away from their high calling as homemakers into the open road of public life, it would have been a tragic failure.

That women may vote and are not stampeded by the glamor of a calling not primarily their own, is a mark of their good sense. The vote is one thing. It is for all. Office is surely only for the fit. Among women, the fit must always be the exceptional women, of whom there are a few, and only a few. But that few are being found, and are doing their work well.

Only the exceptional woman is suited by training and environment for public office. The women want them in office, but they are too wise to want the others.

Save time and money on your repair jobs

IF you have a wall to repair; if you want to make a pleasant room in your attic; if you need new partitions or bins; or your wife needs a clothes hamper or a sewing table—you'll be surprised how quickly, easily and economically you can do these jobs if you use

Cornell Wood Board

Cornell-Board is all wood—an important fact to remember. It is tough wood fibre, *triple-sized* to resist moisture, heat and cold; and it's *mill-primed*, ready for paint, or the attractive *oatmeal-finish* looks right just as it is. We recommend Cornell because we know it's made to give satisfaction.

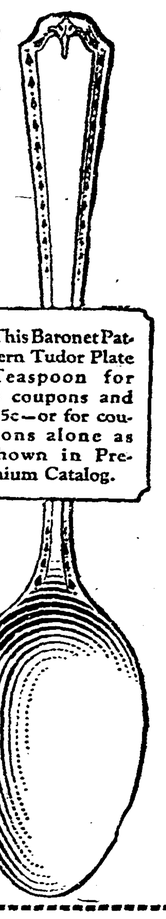

"165 Uses for Cornell-Wood-Board" is a booklet telling how you can make many useful things for the home. You can have it for the asking. Phone, write or call for it.

Miss Lois Vaughn, of Greensburg, spent the week end with her parents, Mr. and Mrs. Wm. Vaughn on South Side.

The funeral of Mrs. Ralph Weis which was held yesterday afternoon was one of the largest that has ever been held on the Ridge, which fact speaks a volume for the love and respect in which she had been held by neighbors and friends.

"Booby" Bilger spent several days this week in the wilds of Bardy township visiting with relatives on his wife's side.

Alex Frankhouser tested the street hydrants yesterday to ascertain if all had survived the winter months and were in good working order in case a fire should break out. The color of water that came out from most of them would not be much of an inducement for a fellow to become a strong prohibitionist if he had to drink any quantity of it at one attempt.

Chief Clark has bought himself a police dog which he expects to train on running trails of bootleggers. The pup is young yet but time will develop him provided he does not meet the rate which overtook "Toney" who tried to stop an auto. The new dog's name is "Jiggo."

5 Operations—15 years suffering with constipation—Kellogg's Bran restores health

Mr. Lancing's case is typical of thousands of others. He found permanent relief from constipation in Kellogg's Bran because it is ALL bran. Nothing but ALL bran can be 100 per cent effective. Read what he says:

Dear Sir:

I have been afflicted with constipation for the past 15 years, and during that time I have been in four different hospitals and submitted to five different operations that were the result of constipation. I was getting so bad that every meal I ate soured on my stomach. Two months ago I was advised to eat your Kellogg's Krumbled Bran. I tried it, as I was trying everything I could hear of. From that day on I have never taken a physic. My stomach does not sour any more and my bowels move regularly morning and evening. Yours sincerely,
Frank Lancing,
1306 Jefrics Ave., Marion, Ind.

For permanent relief, eat Kellogg's Bran regularly. Two tablespoonfuls daily—in chronic cases, with every meal. It is guaranteed to bring results, or your grocer will return your money.

You will like the delicious nut-like flavor of Kellogg's Bran—so different from ordinary brans, which are unpalatable. Eat Kellogg's Bran with milk or cream. Sprinkle it over other cereals. Cook it with hot cereals. Try it in the recipes given on the package.

Kellogg's Bran, cooked and krumbled, is served by leading hotels and clubs in individual packages. Made in Battle Creek. Sold by all grocers.

SEATTLE SHAKEN BY EARTHQUAKE

Seattle, April 25.—Residents of Seattle were awakened early today by the most pronounced earthquake felt here in recent years.

The tremor as recorded on the University of Washington seismograph occurred at 12:03 a. m. and lasted seven seconds. No damage was done.

Miss Ethel Bloom, who had her tonsils removed by Dr. Yeaney, is improving nicely.

Washington, April 25.—While the United States Veterans Bureau was completing plans today to administer the insurance provision of the Bonus Act, provided the bill becomes a law thousands of soldiers and sailors throughout the country were besieging the War and Navy Departments for certificates showing their Honorable discharge from the military service.

At the office of the Adjutant General of the Navy it was indicated that an increase in personnel might be necessary to meet the demands of soldiers who have lost their discharge papers and who seek replacement that proper application for the prospective bonus may be made. Large numbers of applications for certificates of service are being received daily by the Adjutant General, both through Senators and Representatives and directly from ex-service men.

All information in the applications will be checked carefully with the veterans service records to determine its accuracy. Particularly in the case of overseas veterans many of the service records have been lost necessitating inspection of pay and muster roles to verify service.

PENNSY-GRAMS

Philadelphia—Because her husband refused to take her to the movies, Mrs. Bertha Lanser, 22, is said to have attempted suicide. At a hospital here today, physicians said the woman will recover.

Philadelphia—Lieut. Thomas Stack was demoted and two other District Commanders ordered to appear for a hearing Tuesday by Director of Public Safety Butler. One of the Lieutenants is charged with having used a Pittsburgh girl to get evidence for raids.

Harrisburg—Judge Kenesaw M. Landis, baseball commissioner, spoke before Legionnaires here last night and advocated AdjustedCompensation

York—The County Coroner was today investigating the death of Charlie Weigert, 17. The young man was found hanging in a barn half an hour after he threatened to commit suicide.

Harrisburg—Arbor day is being observed over the State today with planting of trees. War veterans here planted trees in Capitol Park to form a Keystone in memory of the famous 28th division.

Pittsburgh—Albert C. Lewis, 60 is dead today and authorities were robbed of making the man pay the penalty for the crime he admits doing.

Lewis pleaded guilty yesterday to a charge of voluntary manslaughter in criminal court where he was on trial for the death of Joseph Matthews, in October 1922. He died late yesterday of heart disease in the county jail where he was awaiting to be sentenced.

Philadelphia—Hunting for a baseball on the second floor, a young boy detected the odor of gas. When he and his father investigated they found Benjamin Brody, 32 and his wife, Rachel, 30, unconscious in their room on the third floor. Police say the couple attempted suicide.

Phillipsburg—Traces of clews whose names were found on a boot-legger list may be followed by police today, following the confession of a motorcar loaded with booze in Bryn Mawr last night. Robert and Arthur Cohen, who were driving the truck,

DOES IT CATCH YOU —right in the back?

It may be that you are mysteriously attacked by pain in back, (lumbago), or limbs, "neuralgic" pains—shooting anywhere. Backache of any kind is often caused by kidney disorder, which means that the kidneys are not working properly. Poisonous matter and uric acid accumulate within the body in great abundance, overworking the sick kidneys. Perhaps you have become nervous, despondent, sick, feverish, irritable, have spots appearing before the eyes, bags under the lids, and lack ambition to do things. The latest and most effective means of overcoming such trouble, is to drink plenty of water between meals, and take a single An-uric (anti-uric) Tablet before each meal for a while, or until recovered.

Simply ask your favorite druggist for Doctor Pierce's Anuric Tablets (kidney and backache remedy).

Send 10 cents to Dr. Pierce's Invalids Hotel, Buffalo, N. Y., for trial package.

Listen to what this man says:

Lebanon, Pa., "My kidneys had become so congested and the pain so excruciating in my back that there were times that I could hardly walk. I doctored and took electrical treatments with little relief. One day after reading an advertisement in the newspaper recommending Dr. Pierce's Anuric Kidney Tablets I decided to try them. I took three bottles of the Tablets and they relieved the congested condition of my kidneys and my backache disappeared. That was over a year ago and I am just as well and strong as can be but I take an occasional bottle of 'Anuric' to make sure that my kidneys are working properly."—Albert Beland, 344 N. 11th St.

THE OLD HOME TOWN -:- by Stanley

Mrs. Lloyd Barber, nee Grace Butler, of Columbus, Ohio, is visiting her family and friends in this, her home town.

Miss Sue West and Miss Elizabeth Hesselbine of Barnesboro spent several days with Miss Ruth Evans.

Jane Callahan spent a few days in Mahaffey visiting her grandparents, Mr. and Mrs. J. S. Michels.

Dr. and Mrs. R. L. Piper and Miss Jane Jeffries of Tyrone and Lawrence Piper of Pittston were visitors with Dr. and Mrs. W. S. Piper Thursday.

James Mead of Philadelphia has been circulating among his former Clearfield friends and visiting relatives.

Born to Mr. and Mrs. Henry Lynn on April 23, a daughter.

BETTER HAVE REMAINED CRAZY

Washington April 25 (INS)—Harry K. Thaw is suffering from "physiological abberations causer by endocrine inbalance," but "science can make him a useful citizen," Dr. William A Bailey of New York City, declared today in an address before the American chemical society.

Bailey suggested the use of "endocrine ionization" of Thaw's thryoid gland to effect the cure.

Stop that Eczema!

AMAZING results have been produced by S. S. S. in cases of eczema, pimples, blackheads and other skin eruptions. If you have been troubled with eczema, and you have used skin applications without number, make a test yourself, on yourself with a bottle of S. S. S., one of the most powerful blood cleansers known. S. S. S. makes the blood rich and pure, and when your blood is freed of impurities your stubborn eczema, rash, tetter, skin eruptions, pimples, blackheads, blotches and acne are bound to disappear. There are no unproven theories about S. S. S.; the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

S.S.S. The World's Best Blood Medicine

Miss Robinson of Philadelphia, assistant state secretary of the Pennsylvania Tuberculosis Association, was a speaker at the luncheon and is always a welcome guest in Clearfield.

Dr. Nora McNerney of DuBois attended the district clinic and dinner at the hospital. She was accompanied by Mrs. B. W. Dean. Dr. McNerney was a former Clearfield girl.

Uriah Litz, an old-time lumberman now living at Coalport, was in town Thursday greeting his many friends and relating his many rafting experiences of 46 years duration.

Dr. and Mrs. James Jackson have returned to their home at Norfolk, Va., after spending Easter with Mrs. Jackson's mother, Mrs. Anna Mignot. Mrs. Mignot accompanied them to their home in the South.

$200 REWARD

For the return or recovery of Billie Parker, who was taken from the Children's Home at Clearfield, Pennsylvania, on the evening of March 5, 1924, by a woman representing herself to be Mrs. Ralph Hall, who is apparently between 25 and 30 years of age, had light bobbed hair, about 5 feet 4 inches in height and weighed about 125 pounds. She was dressed in a long dark green coat with stripes running up and down, medium sized hat trimmed with flowers and wore a veil. She obtained the boy from the home to sooth the sorrow of a disconsolate mother.

Last seen near Reynoldsville.

BILLIE PARKER

3 1-2 years old, chubby and large for his age, light hair, light blue eyes, weight 35 to 40 pounds. Then dressed with tan overcoat, plaid lining, U. S. Navy cap, brown shoes, one-buckle arctics.

BILLY'S FATHER

Henry Miles Parker, 38 years, last address National Sanatorium, Marion, Indiana, medium build, dark hair mixed with gray, weight 160.

Any information as to the whereabouts of Billie Parker since March 5, 1924, will be greatly appreciated by the mother, Mrs. Florence Parker, D. A. Reed or the Clearfield Progress, Post Office address Clearfield, Pa.

Brownsville Man Recovers From Serious Illness

E. C. Reasey, Well-Known Fraternal Order and Railroad Man, Sick for Twelve Years, Makes Complete Recovery

Mr. E. C. Reasey, popular fraternal order and railroad man, is receiving congratulations of his friends upon his restoration to health after an illness of nearly twelve years following an operation for peritinitis.

Mr. Reasey has some very definite ideas as to what has caused his remarkable recovery, and says that he welcomes this opportunity to tell the public the facts in the case. He has been in mighty bad shape for years. Nothing that he ate agreed with him. Every full meal was followed by a disordered stomach. He was forced to the daily use of pills and carthartics.

But read what he has to say:

"I have tried all kinds of medicines, but nothing seemed to do me any good until I tried Sulac. The very first bottle helped me and so far I have taken four bottles and am on my fifth. I am glad of this opportunity to tell my friends, and in fact everybody, that Sulac has not only stopped my trouble, but has given me an appetite I can hardly satisfy And the best of it is that I have gained fifteen pounds. My color is fine; and when I get through eating I feel great. I have my old pep back and when it comes to work I'll step right out with any of them: I feel great all the time. I will be glad to verify this if anyone wants to write me at the Y. M. C. A. Brownsville, Pa.

Mr. Reasey is the kind of man whose word carries weight. He belongs to K of P., No. 60, Cumberland, Md.; I. O. O. F., No. 56, Cumberland; J. O. U. A. M., Altoona; Loyal Order of Moose No. 74, Altoona. If you are suffering from any form of stomach trouble ;are billious, have chronic constipation; are in distressafter eating go to your druggist and get a bottle of the remedy that did so much for him. It is sold under a positive guarantee. If you take six bottles and are not satisfied with the results your druggist is authorized by the manufacturers to refund your money. Sulac is sold in Clearfield by Hunter's Drug store.

One Could Do That.

"It takes nine tailors to make a man." To make him what--a pauper? —Boston Transcript.

REAL GOSPEL SERVICE

Last night there was a fine gospel service at the home convention of the Christian Missionary Alliance, Susquehanna College of Music Auditorium, four visiting ministers were present: Rev. S. W. McGarvey, of Huntingdon, Pa.; Rev. E. S. Conley, of Pittsburgh, Pa.; Reese McGarvey, of Coalport, Pa.; Wm. McTavish, of Clymer, Pa.

Two messages in song were given by Reece McGarvey and Mr. McTavish. Rev. Conley, of Pittsburgh, gave the Gospel message.

Several people came to the altar for salvation and healing. Services this evening and Saturday evening. Two great services on Sunday afternoon and evening at 2:30 and 7:30 Special singing. All welcome.

Superstition Protects Spider.

There are traditions that hold the spider sacred. The French have a motto presaging bad luck for him who kills a spider in the morning; and there are old rhymes and warnings that those who wish to live and prosper will spare the life of this animal—it is not an insect, as most of us used to believe until entomologists informed us to the contrary.

Got the Real Thing

"For five long years I suffered with stomach trouble and what the doctors called gall stone colic, and all said nothing but an operation would do me any good. A friend who had taken your medicine advised me to try it, and I found it to be the real thing. I feel certain that I have in eight years and I am praising God for Mayr's Wonderful Remedy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments including appendicitis. One dose will convince or money refunded. At all Druggists.

FUNERAL OF JOHN W. YOUNG

The funeral of John W. Young will be held on Saturday afternoon at one o'clock from his former home near Kerrmoor.

John W. Young was the last member of a pioneer family to pass away, his sister, Mrs. Kester of this city, having died one year ago. His parents, with their family, drove from Center county to a dense forest site near what is now Kerrmoor, where they built a log cabin. Mr. Young has always lived on the same farm. Mr. and Mrs. Young celebrated their fiftieth anniversary three years ago. The deceased was an honored christian parent and friend, respected and esteemed by his many friends.

He is survived by his widow, seven daughters, Mrs. Enloe McCracken, Avis; Miss Earla Young, Mrs. W. Curry, and Mrs. C. Woods, of Kerrmoor; Mrs. W. Sharpe, Mrs. C. M. Witherite and Mrs. W. Maurer, of Clearfield; four sons, Leslie, William, and George of Kerrmoor, and Albert, of Monument; 60 grandchildren, and five great grandchildren.

Miss Hess, state nurse of Philipsburg, was a guest at the tuberculosis luncheon yesterday.

W. E. Mather and son Leland and Harry Pooler are in attendance at the bakers' convention in Altoona this week.

Mrs. J. E. Isette of Irvona is visiting at the home of Mr. and Mrs. Hurley at Pine Grove.

Indian Cotton Cloth.

Indian cotton cloth is mentioned by Herodotus, and was known in Arabia in the Seventh century. In Spain cotton was quite extensively grown and manufactured in the Tenth century, but its manufacture was not introduced into other countries until some centuries later.

Economical Electric Cooking

This is the famous *Range with the clock.* The same one that's cooking automatically for thousands of women who won't be a slave to a stove. *Convenient* hardly describes it—it's a wonder. By merely setting the clock, it starts cooking the food at any time you choose, turns itself off, provides a cooked meal all ready for you at meal time. You can be away all day, arriving home just at dinner time and experience this very thing. And it's economical, especially considering the great service it performs.
